

DEC. 21 MONDAY MORNING MEMO

FROM THE OFFICE OF CURRICULUM AND INSTRUCTION

Good Afternoon RISD Colleagues,

There has recently been an explosion of new research around the benefits of physical activity in helping students overcome trauma and also in improving academic outcomes. As we plan professional development, please complete the following survey links pertaining to your content. Also, note that we will be having a district wide professional development session on January 13 for physical education and health teachers. More information TBA.

The Office of Curriculum and Instruction wishes you a happy, safe, and healthy holiday season. We will continue to provide professional development support throughout the break.

Take time to rest, recharge and enjoy your loved ones.

Sincerely, *Jennifer*
